

IN MEMORY OF PEGGY SCOTT

February 16, 2021

On February 16, 2021, we loss our friend, and 50/50 Lady, Peggy Scott. She was there from the beginning of STAR with her husband Scotty and the 5 blue coupe and ramp truck. Peggy donated several toys over her years at STAR to the toy drive and she collected all the 50/50 money for the club for many years. She will be truly missed by many of the founding members.
